

CERTIFICATE III IN SPORTS TURF MANAGEMENT

AQF CODE N/A | COURSE CODE AHC31324 | COURSE TYPE Qualification | RTO 3097

Overview

Build the skills and knowledge you need to work in a variety of roles, from a turf management assistant to learning the skills required to progress through your career. This course will develop your skills in machinery operation, turf renovation, turf establishment, plant and weed identification, soils and plant nutrition, pests and diseases, management, construction of turf surfaces and occupational health and safety.

Duration

Apprenticeship: 4 years

Requirements

- You need to be employed in the field
- You need basic literacy and numeracy skills

Assessment

The assessments will enable students to demonstrate the underpinning knowledge, skills and attributes required to meet the course outcomes. These assessments are undertaken in the workplace and on-campus, involving assessment of your practical work and the theory involved.

Learning Outcomes

- Install and maintain irrigation systems
- Operate machinery and equipment
- Control pests, diseases and weeds
- Establish, construct and renovate turf and playing surfaces
- Environmentally sustainable work practices
