

CERTIFICATE III IN SUPPLY CHAIN OPERATIONS

AQF CODE N/A | COURSE CODE TLI30321 | COURSE TYPE Qualification | RTO 3097

Overview

This program is for anyone wanting to further or start their career in an operational capacity. Certificate III qualified personnel typically work in a variety of warehousing and logistics roles with minimum supervision and are responsible for working within a team environment, and for the quality of their work outcomes. Suitably qualified people with a Certificate III are required by all manufacturing, supply chain and transport industries which can lead to other opportunities and career development. This qualification plays an incredibly important role in business operations. This is a great starting point for working towards a supervisory or managerial role.
